# The Virtual Learning Environment (VLE)

Your digital campus, your global classroom

At UWE Bristol, we've created a dynamic and engaging virtual learning environment (VLE) that brings the classroom to you, wherever you are in the world. Our VLE, powered by Blackboard Ultra, is designed to facilitate seamless online learning, collaboration, and connection.

## Blackboard Ultra: Your learning hub

**Blackboard Ultra is more than just a platform; it's your personalised learning hub. Access course materials, engage in discussions, submit assignments, and connect with your peers and instructors, all in one convenient location. With features like:**

**Interactive content:** Engage with multimedia learning materials, including videos and quizzes.

**Discussion forums:** Share ideas, ask questions, and collaborate with your peers in a vibrant online community.

**24/7 access:** Study at your own pace, anytime and anywhere, from any device.

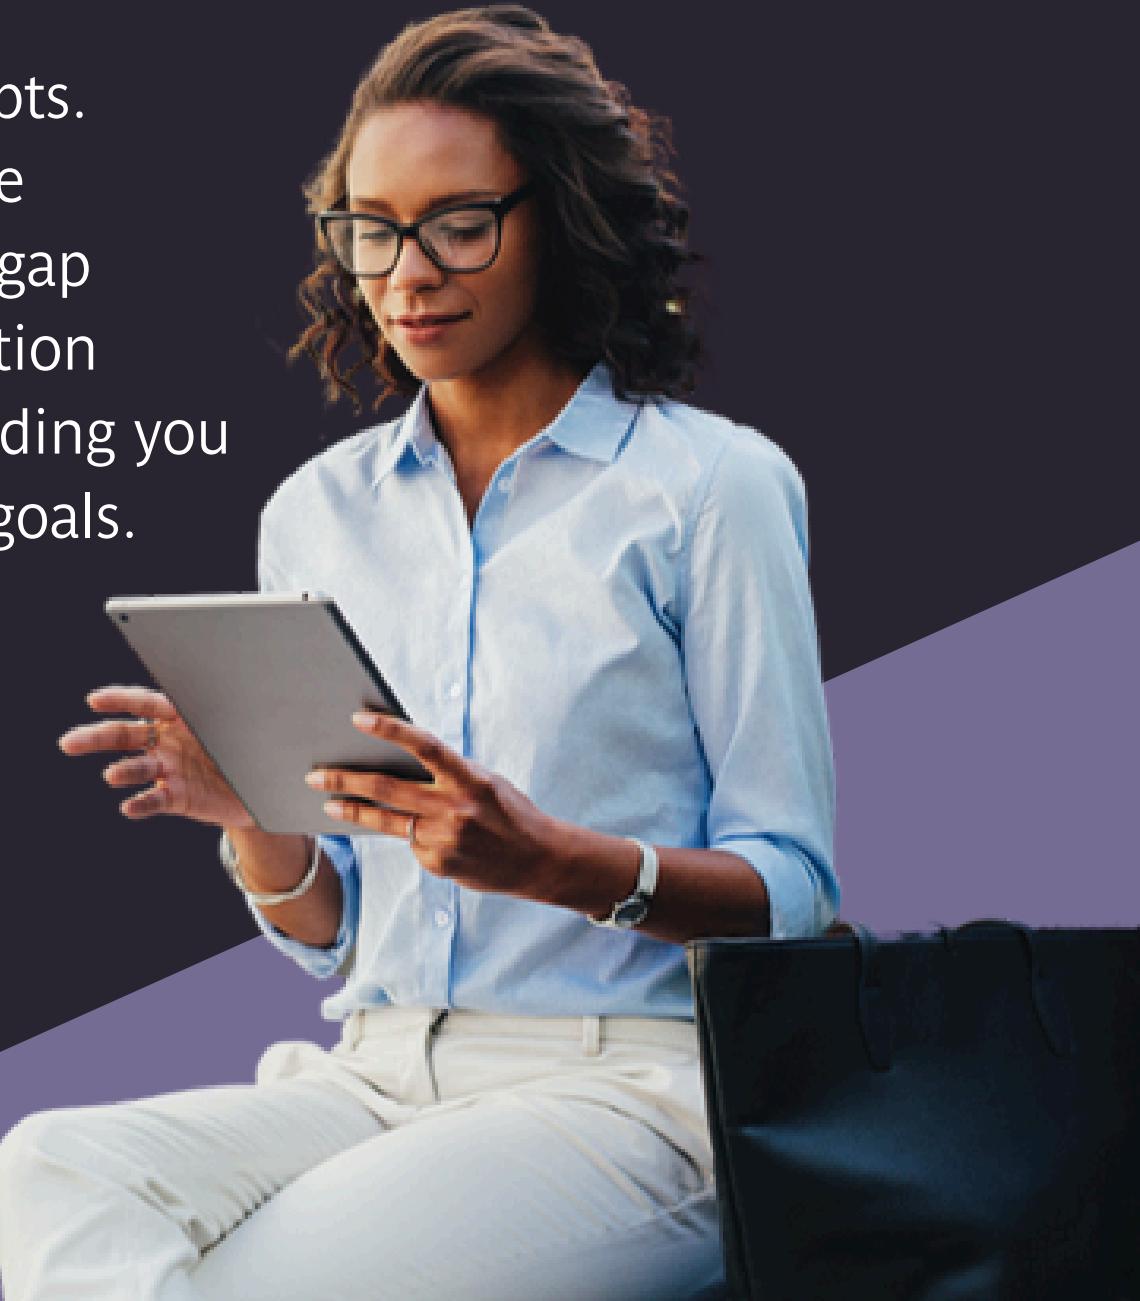

# Collaborative learning

## Building a community of education leadership professionals

We believe that learning is a social activity. That's why we've designed our programme to **foster collaboration and interaction** among students and faculty. Through group projects, peer feedback, and online discussions, you'll build relationships with fellow professionals from around the world, **expanding your network** and gaining valuable insights from diverse perspectives.

### Case study approach: Bridging theory and practice

Our programme emphasises the practical application of educational leadership theory and concepts. Through engaging **case studies based on real-world scenarios**, you'll develop the skills to analyse complex challenges, propose solutions, and make informed decisions. This approach bridges the gap between academia and the sector, preparing you for the real-world demands of a career in education leadership. Your learning journey is our priority. At UWE Bristol Online, we're committed to providing you with a supportive and **engaging online learning experience** that empowers you to achieve your goals.

# Assessment methods

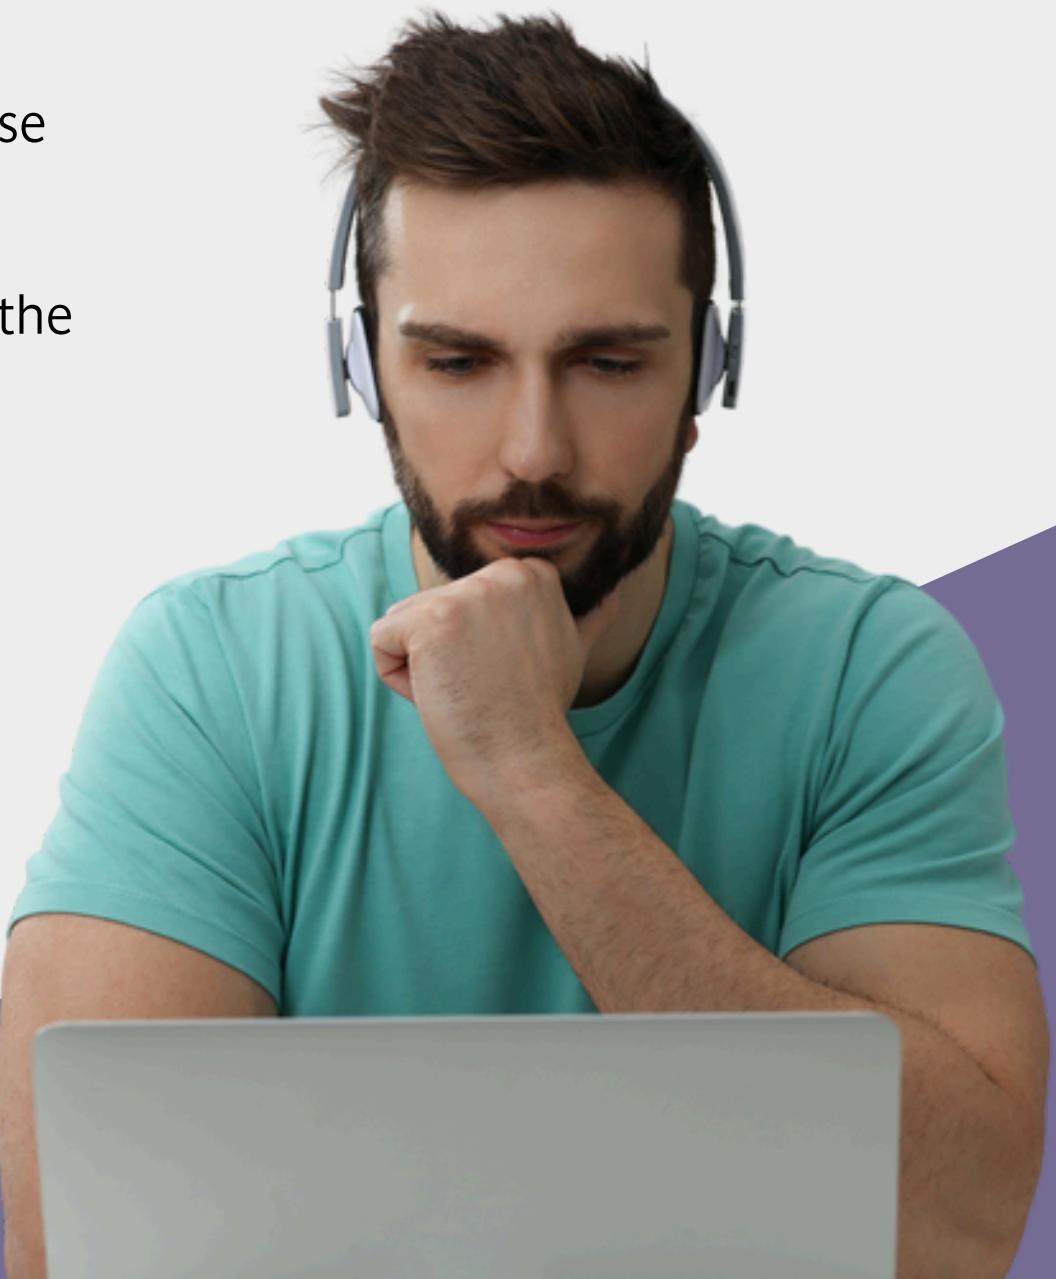

The programme uses a **variety of methods** to gauge your understanding of education theory, leadership principles, and your ability to apply them in real-world education settings. These methods include:

**Self and peer reflections** - to give you insight into your own authentic approach to leadership, understand the impact you have on others and support your personal development. These include action plans, records of engagement, personal and peer reflections.

**Written work** - allowing you to synthesise complex educational issues and research and summarise complex issues and debates for a wide audience. These include reflective essays and blog style written pieces.

**Reports and analyses** - use evidence from a range of sources to gain insight and develop recommendations. These include policy evaluations, culture assessments and change analyses.

**Education Enquiry project** - a substantial project that allows you to demonstrate to apply the skills learnt across the degree.

# Formative and summative assessment

Throughout the programme, you'll receive both formative and summative assessments.

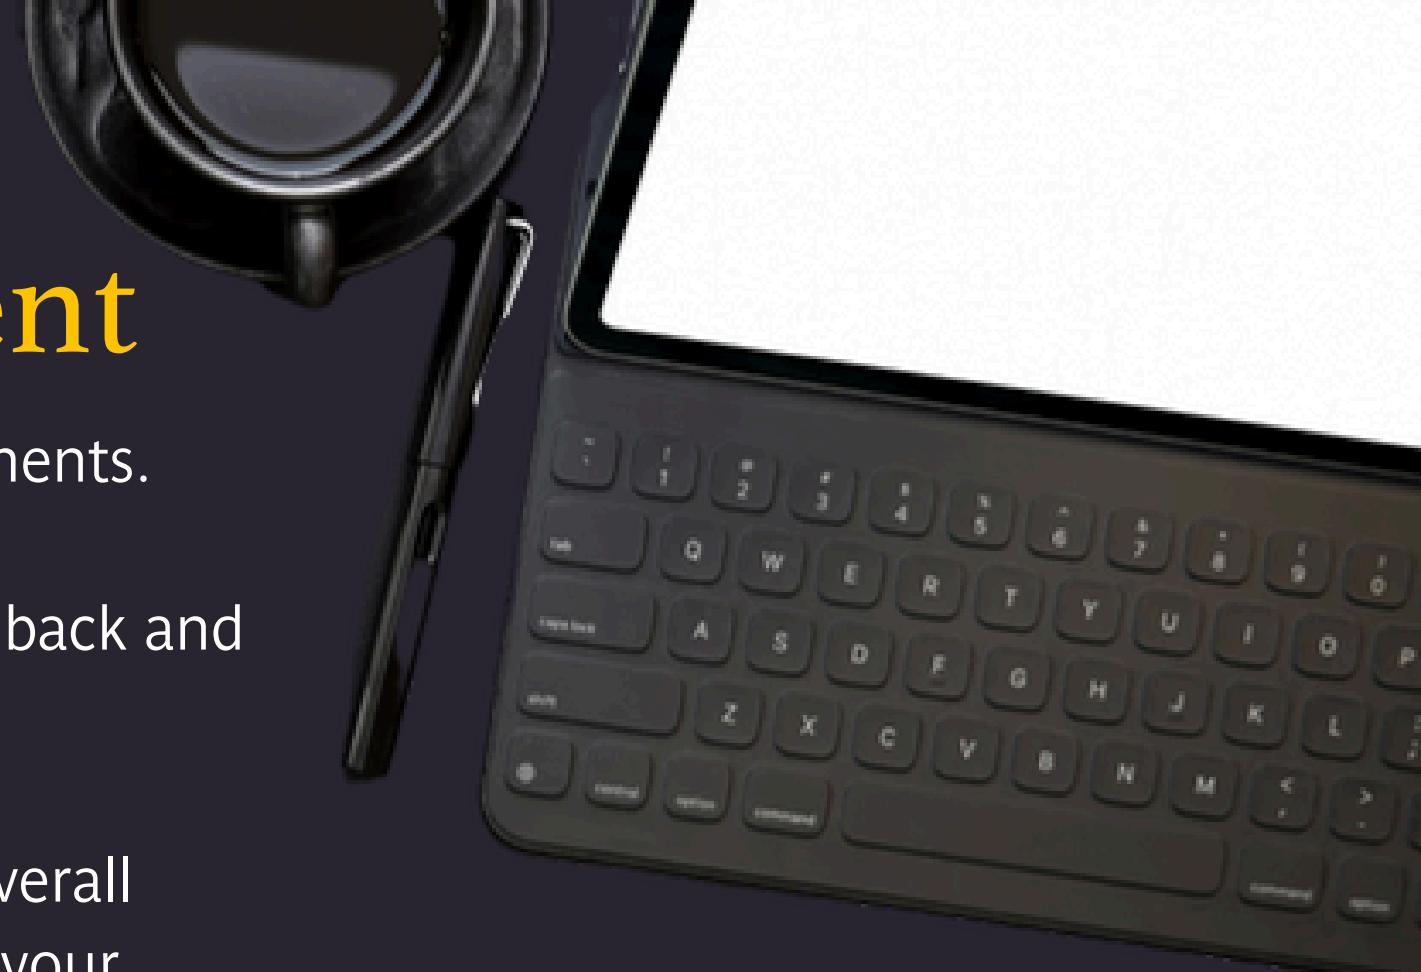

**Formative assessments:** These are ongoing assessments designed to provide feedback and guide your learning. They may include quizzes, discussions, or short assignments.

**Summative assessments:** These occur at the end of modules and evaluate your overall understanding of the material. They contribute to your final grade and determine your successful completion of the programme.

## Alignment with learning outcomes

Each assessment is carefully aligned with the specific learning outcomes of the programme. This ensures that the assessments accurately measure your achievement of the programme's goals and prepare you for success in your education leadership career.

The assessments are designed to develop the critical thinking, problem-solving, and communication skills that are highly valued by those seeking leaders in education.

# Tuition fees

The fee for this programme is £7,150. You pay £715 per module and £1,430 for the final project.

Fees are paid on a modular basis over the duration of the two-year course. The balance for the current module needs to be paid before being able to register for the next module. For your convenience, invoices will be issued as near as possible to the start of each module. UK students pay by credit or debit and international students through our official online payment partner, Flywire.

UK (home) students may be eligible for UK postgraduate student loan assistance. Students who receive this funding need to complete the course within two years, otherwise payments will be interrupted or stopped. Find out more about postgraduate funding.

## Scholarships and financial aid

We are committed to supporting individuals in pursuing their studies. Please consult with the Student Success Team for the latest information on tuition fees.

UK-based students may be entitled to a Postgraduate Master's Loan:  
[gov.uk/masters-loan](https://www.gov.uk/masters-loan).

# Entry requirements

To be considered for the MA Education Leadership (online) programme, you should have:

A minimum of a 2:2 Honours degree or equivalent.

If you do not meet the above requirements but have **at least 12-months relevant professional experience** and/ or equivalent qualifications, we will consider your application on a case-by-case basis.

## English language requirement

International and EU applicants are required to have a minimum overall IELTS (Academic) score of 6.5 with no component below 5.5 (or approved equivalent\*).

\*The university accepts a large number of UK and International qualifications in place of IELTS. To find details of acceptable tests and the required grades, please visit our [English Language Requirements](#) pages.

## Exemption from the English language requirement
